Note the name change to Kylie Wager Cruz. <https://earthjustice.org/about/staff/kylie-wager-cruz>

I think this happened during the pendency of the investigation.

Letter looks fine otherwise.

Attached is the revised complainant's rep. closure letter. I revised the April 16th version by deleting the recognition of the HDOA's attorneys. Please let me know if you wish to include that acknowledgment in the complainants' version.

Meant to add that I think in lieu of calling the complainant, you can send her a note to say we are issuing today. We have done that before and you can also let them know that we can be available to answer any questions once she has a chance to review it.

The recipient's letter was drafted first for review and to permit incorporation of each of the requested edits. I will submit a draft of the complainant's letter shortly.

Please review the attached revised correspondence.

Please confirm the Region 9 contacts.

In our conversation with Earthjustice last week, we indicated that they would be notified of this issuance. I can call the primary contact to make this announcement.

Importance: High

Hi Jeryl, Dale and Adam, I am proposing one change from the standard language for this letter given the specifics of this case (I have made it on the attached.) Please let me know asap if you have any concerns. Otherwise, Jeryl please prepare both final letters for issuance today (hopefully.) Jeryl and Adam, should we notify complainant that it is coming or have we done enough?
